for Implantology

Case Western ITI Study Club

Dr. Mercurious Mina, Director

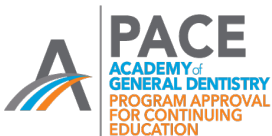

Full-Arch Dental Implant Rehabilitation

Learning Objectives

- Understand the Fundamentals of Full Arch Implant Rehabilitation: Participants will gain a comprehensive understanding of the principles and concepts underlying full arch implant rehabilitation, including indications, contraindications, and treatment planning strategies
- Explore Digital Technology Applications in Treatment Planning: Attendees will learn how to integrate digital tools into the planning and execution of full arch cases, enhancing precision and predictability in outcomes
- Evaluate Surgical and Restorative Protocols: The lecture will cover surgical considerations and restorative techniques essential for successful full arch implant procedures, emphasizing best practices and evidence-based approaches
- Highlight the Importance of Interdisciplinary Collaboration: Participants will recognize the value of a team-based approach, understanding how effective communication and collaboration among dental professionals contribute to optimal patient outcomes

Course Description

The lecture will provide a comprehensive approach to full arch implant rehabilitation, covering treatment planning, surgical techniques, and digital workflow integration. Participants will gain insights into digital applications, best practices in surgical and restorative protocols, and the importance of interdisciplinary collaboration for optimal patient outcomes.

1/1/2025 to 12/31/2027
Provider ID# 344991

Course Information

Speakers:	Faisal A. Quereshy MD, DDS, MBA, FACS, FICD
Date:	April 2nd, 2025
Time:	Registration: 5:00 Program: 6:00 p.m. to 8:30 p.m.
Location:	Health Education Campus, Case Western Reserve University 9501 Euclid Ave Cleveland, OH 44106
Audience:	All
AGD Code:	690
Type:	Lecture
SAC:	Advanced
CE Credit:	2.0 Hours
RSVP:	Please RSVP by 4/1/25 to Dr. Mina at mercurious.mina@iti.org OR mhm82@case.edu
Phone:	216-797-0500

Dr. Faisal A. Quereshy

Dr. Faisal A. Quereshy is a board-certified oral and maxillofacial surgeon (ABOMS) and facial cosmetic surgeon (ABCS, ABFCS). A Toronto native, he earned his DDS from SUNY, followed by an MD and oral and maxillofacial surgery residency at Case Western Reserve University, where he is now a tenured professor and residency program director. He further specialized with a fellowship in facial cosmetic surgery accredited by AACS and CODA. Dr. Quereshy also holds an MBA from Case Western Reserve's Weatherhead School of Management. As Medical Director of Visage Surgical Institute, he practices full-scope OMS alongside his wife, Dr. Najia Usman, in Medina, OH. Dr. Quereshy is an active leader in professional organizations, including past presidency roles with ABFCS and the Ohio Society of OMS. He has published extensively and lectures internationally. A family man, he enjoys golf and cheering for Cleveland's sports teams.
